

6 Panel Digipak[®] for 2 CDs (Pattern P0008)

The Digipak is a popular, lightweight alternative to Jewelcase.

Overview

Please set your page size to the dimensions shown.

Colours

Because of our mass production techniques, Pantone colours are reproduced by their CMYK equivalent values, therefore colour shifts can occur. Pure Pantones can be printed but at increased cost, please speak to your sales contact if Pantone colours are required.

Digital Artwork

Please refer to our General Artwork Specification document.
